ORDER DETAILS

Name: _____

Address: _____

Email Address/Fax: _____

College Details: _____

Course Title: _____

Course Duration: _____

What year are you in now? _____

Invoice to: _____

What's involved in installing the CD?

Install the CD on the PC of your choice. See the CD cover for the set up instructions. Be careful when selecting what PC you install the software on, as only one access code can be issued to each student and the software is locked onto that PC, and cannot be moved or installed again on another PC.

How do I get my access code?

When the software is loaded and after rebooting the PC. Double click either of the Buildsoft icons. When the software runs you will be presented with a serial number request screen. **You must print this screen** and fax it through to Building Software Services @ 01-2828634, together with this order details form and a photocopy of your current student card. Your access code will expire 2 years from date of issue. Should you require the invoice to be raised to a third party, please indicate this in the "invoice to" field above.

How much does it cost?

A cheque or postal order to the value of **EUR €60.50** must be made out to Building Software Services Ltd, No. 4 Milton Terrace, Seapoint Road, Bray, Co. Wicklow. Upon receipt of said cheque or postal order, BSS will issue the software access code to the student @ the email address/fax provided above.

Declaration

I declare that the information supplied above is true and accurate in every respect. Building Software Services Ltd reserves the right to decline any application, without stating a reason.
